Dennis Gaster received a card from **Lu Logan** and she reported that there is something about having your 85th birthday ... no more dues! She plans to retire from her no pay job, but still stays busy.

Clyde Goodman reported that all churches are looking at their security. Genesis UMC is keeping its doors locked. We need to push the white doorbell button on the backdoor where we enter the church.

Clyde will miss the March 20th meeting so a substitute will be needed. **Earl Blakley** will take care of the coffee at that meeting. **Earl** will also bring snacks for the March 20th meeting.

Clyde's cousin has opened a golf course near Dighton, Kansas. **Clyde's** daughter bought a house in Midland, Texas. She and **Clyde** have a cruise planned for March where they will leave out of New Orleans, proceed through the Panama Canal to South America and return to San Diego.

Clyde sees **Bob Rymell** on occasion.

Maxine Owen asked about **Barbara Gillum** and **Earl Blakley** responded that she was doing OK.

Maxine mentioned that her family had many illnesses over the holidays. She and **Bernie** will be going to Kansas for Memorial Day.

It was also reported that **Del Rockkbaugh** and **Berniece Newman** are doing OK.

Anita Plummer reported that **Betty Sisson** continues her stay with her niece. **Anita** sent a card to **Dave Moffitt's** family.

Dave Stockbridge reported that **Don Deal**, who lives in Petaluma, California, is working on the 2020 Census. His wife, **Sue**, is tutoring.

Earl Blakley went to visit family in Oklahoma over the holidays. Deer hunting was good.

Dave Drennan has been to Hawaii. He is going to see his son at the air base near Raleigh, North Carolina. A family get together is planned for June. He now has nine grandchildren. **Dave** recently had cataract surgery.

Bill Kuenstler and **Jerry Lemunyon** have made several trips to Mexico.

Arnold King mentioned that he has been on many cruises, but the one through the Panama Canal was the best.

Arnold retired last fall from his work at Texas A&M. Congratulations are in order for **Arnold** as he is the new president of ARSCS.

Dave Stockbridge is continuing tests on his heart to find out what is happening. **Barb** is doing well. They are going to New York in June to visit sisters and son Greg in the Poconos.

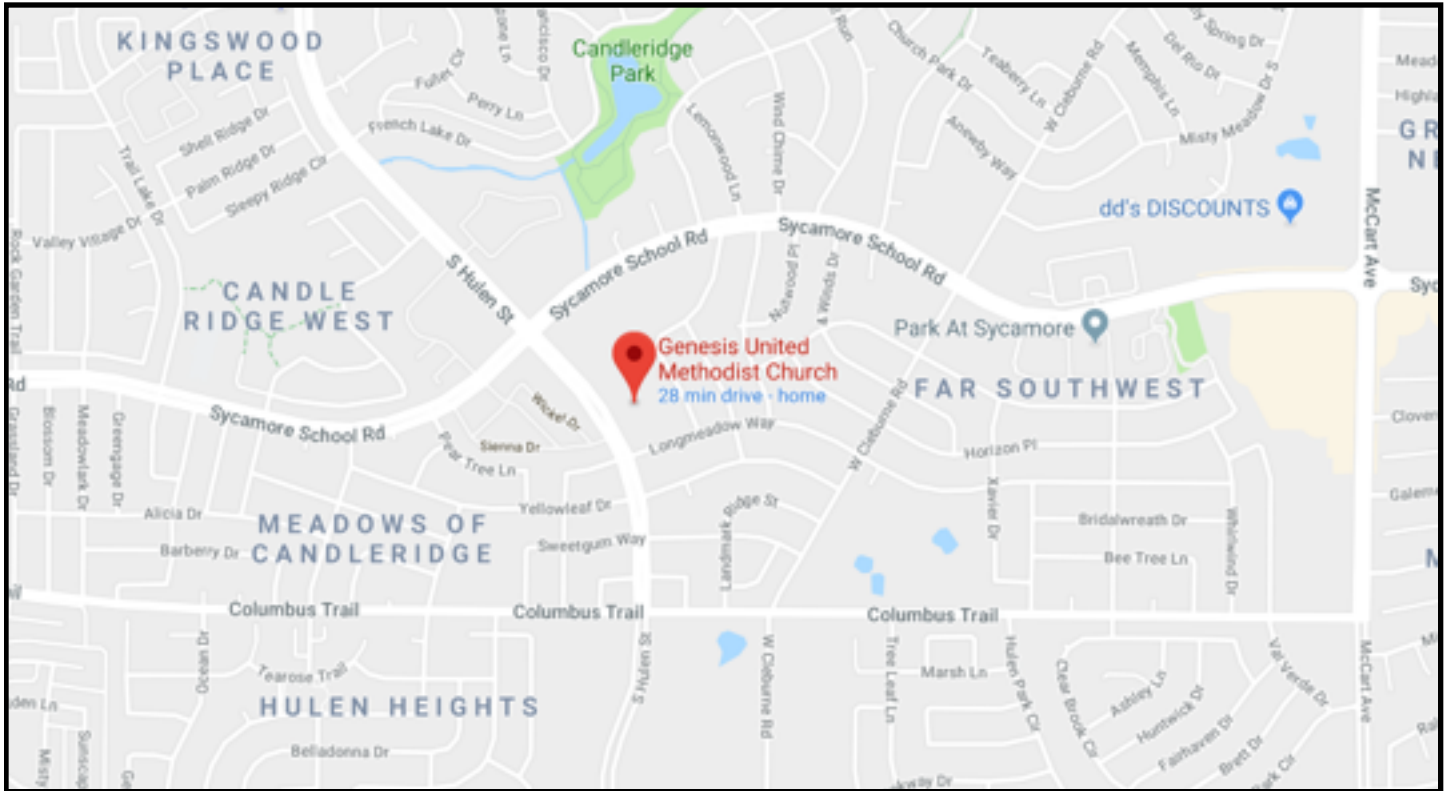

Doug Seibel spent Christmas with relatives in the hill country.
